## OUR MISSION

The GE Chamber Foundation mission is to use an asset-based approach to equitably fund black and brown businesses, placing them at the center of the small business ecosystem, by advocating for changes to economic development and serving as a trusted, credible, and reliable source of support relevant to the individualized needs of small businesses.

## OUR VISION

Englewood will be seen and experienced as a community with vibrant culture filled with innovation, opportunity, and possibility, where small businesses are once again the economic engine driving sustainability on the South Side.
