About Us

THE GREATER ENGLEWOOD CHAMBER FOUNDATION

The Greater Englewood Chamber Foundation understands that in order to have a strong economic environment you must have a strong community. We are truly blessed in our community to have leaders, business owners, educators, and citizens who realize that we all share in the responsibility of creating economic success and happiness within our community.

The Chamber's goal is to work toward improving the quality of life for all through the support and commitment of its members, volunteers and committees. The Chamber is proud to sponsor events throughout the year to help support the community.

The Greater Englewood Chamber Foundation is also a Neighborhood Business Development Center, acting as an active partner in supporting the needs of small business owners all across Englewood.

We believe that by investing in responsible leadership and collaborative partnerships with other organizations, both within and outside of Englewood, we can create positive change for generations to come.

Thank You!

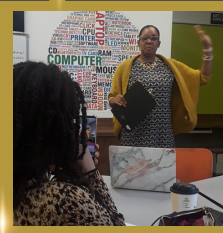

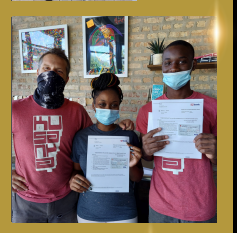

Thank you to everyone for supporting the Greater Englewood Chamber of Commerce and GE Chamber Foundation and your commitment to investing in our communities' future. Your contribution helps to boost small businesses, stimulate wealth creation, and encourage job growth, and increase tax revenue. Moreover, it champions racial wealth equality, pushing towards a fairer society. We could not do this without you.

We have more exciting things ahead and we can't wait to have you there to celebrate with us.

FELICIA SLATON-YOUNG

GECC Executive Director
